Growth Clubs: Every young person needs a safe space to have fun and express themselves. They also need to hear how the love of Christ and God's truth relates to their everyday struggles and questions. These Club Nights are just that space! We'll have games, entertainment, difficult discussions, and inspiring truth aimed at provoking God-empowered change in the lives of North Memphis youth!

AngelStreet is available to musically inclined girls ages 8-18 from several schools in the area (Caldwell-Guthrie, Humes Prep Academy, KIPP, MAHS). Just as athletics instill confidence and discipline for many youth in our city, AngelStreet has a desire to do the same through music. We hope to build camaraderie and unity with a unique group of students, exposing them to a variety of exciting opportunities. Meetings take place Mondays and Thursdays from 3:30-6:30pm at the Oasis Enrichment Center inside Bickford Community Center (12 Weeks per semester) .

Update on our 1st Summer Leadership Institute (SLI): The summer of 2018 allowed us to offer all-day programming for students for the first time from elementary, middle and high school Mondays-Thursdays in June and July due to the addition of the Oasis Enrichment Center (OEC)! By having more space and by increasing our staff, we were thrilled to welcome three times the amount of youth into our summer programs! Being able to see kids four times a week throughout the summer has given us the opportunity to invest deeper relationally and spiritually. This means that our Fall ministry will have a bigger impact! We are excited to expand this new chapter even further in the coming year!
